Report Out and Discuss 2014 Goal

Goal Area	GAS Score	What Influenced Our Accomplishments?	What were Barriers to our Work?
<p>Goal Area 1: Increasing Knowledge About ASD and EBPs in our Community</p>

<p><i>Goal Area 3: Improve and increase collaboration between the various agencies serving and supporting individuals with ASD</i></p>			

Brainstorm on New Projects and Collaborations

How can our organizations work together on training for staff and families (e.g. regional EBP conference, cross training for new staff, training for CACs or boards, developing/establishing demonstration sites within our region, planning a make and take for families or new teachers, creating a regional CAPTAIN brochure, social media sites, conducting a collaborative parent training)?

How can our organizations work together to provide training and updates to each other on relevant policy and practice changes that impact services to those with ASD (quarterly meetings, listserve/newsletter, hot topics presentation at quarterly mtg)?

How can our Regional CAPTAIN Chapter connect with other agencies in our area that need to become a part of this network (e.g. Higher Ed., Vendors/Providers, Local Support and Advocacy Groups)?

What project, conference or product could our regional team develop (EBP conference, brochure, table at Autism Walk, CAPTAIN Newsletter, etc)?
