Share trainings using google docs, offer trainings collaboratively at a location where all can attend like the Regional Center

*How can our organizations work together to provide training and updates to each other on relevant policy and practice changes that impact services to those with ASD (quarterly meetings, listserv/newsletter, hot topics presentation at quarterly mtg)?*

Google group, email updates of trainings being offered in specific counties/selpas

*How can our Regional CAPTAIN Chapter connect with other agencies in our area that need to become a part of this network (e.g. Higher Ed., Vendors/Providers, Local Support and Advocacy Groups)?*

Meet at locations where EBPs are being offered so different participants can see the EBPs being implemented
