*How can our organizations work together on training for staff and families (e.g. regional EBP conference, cross training for new staff, training for CACs or boards, developing/establishing demonstration sites within our region, planning a make and take for families or new teachers, creating a regional CAPTAIN brochure, social media sites, conducting a collaborative parent training)?*

Focus on regional conference (emphasis on parent participation), new teachers, and newsletter.

*How can our organizations work together to provide training and updates to each other on relevant policy and practice changes that impact services to those with ASD (quarterly meetings, listserv/newsletter, hot topics presentation at quarterly mtg)?*

quarterly meetings (remind ourselves of our GAS goals each meeting), newsletter

*How can our Regional CAPTAIN Chapter connect with other agencies in our area that need to become a part of this network (e.g. Higher Ed., Vendors/Providers, Local Support and Advocacy Groups)?*

We are already doing this- Some are educators in higher ed, sitting on advisory meeting at CSU, Chico, FNRC cadre memembr, Behavioral health, emergency response teams, licensing for home daycare, headstart,...etc. Be responsive in our current jobs as we make connections. Connect with unrepresented SELPAs

*What project, conference or product could our regional team develop (EBP conference, brochure, table at Autism Walk, CAPTAIN Newsletter, etc)?*

Regional conference and newsletter.
