REGIONAL Problem of Practice: What issues, challenge or need exists for individual with Autism that our Regional Network wants to try to address?

Current Regional Issue, Challenge or Problems of Practice

Lack of consistent collaboration, communication and implementation of EBP's for all persons with Autism in the CAPTAIN LA region.

Probable Root Cause of the Problem (identify the top probable root cause)

Strategies and supports utilized are not understood within the structure of the EBP model.

Change Ideas (list 1 change idea for the probable root cause)

Increased collaboration among persons that directly implement EBP's for all persons with Autism in the CAPTAIN LA region.

Action plan to support change idea (may need additional space to action plan)

Increase collaboration among CAPTAIN LA Cadre with the use of a Cadre calendar to schedule events to improve collaboration and communication among cadre.
Development of an infographic that shares the use of EBP's for persons who may visit a oral health care provider.

Expected Outcome if change idea is an improvement

Increased collaboration and communication among cadre.
Increased access for persons with Autism to oral hygiene services.

Measurement of change

Data collection from calendar.
Dissemination of an infographic to cadre to support oral health or persons with Autism.

Goal Planning for 2021-2022
